## SESSIONS

Our Inflatable sessions can be a busy place! For little ones looking for a quieter session we have sessions for under 5's only (Fri 5 Jan, 1130-1230) We also have dedicated ASN Sessions for children who may have additional support needs to enjoy the inflatables with their family. These sessions are quieter, giving children more space to enjoy our range of inflatables.

Don't forget about Jungle World, available through the holidays for children aged 5 and under. www.pickaquoy.co.uk
