IT'S GAME ON AS THE PICKAQUOY CENTRE DELIVERS ACTIVITIES AS PART OF THE 2026 SUMMER OF SPORT

The £20 million Scottish Government investment will help young people across Orkney get involved in sport and activities

The Pickaquoy Centre has secured funding, facilitated by sportscotland and distributed through Orkney Islands Council, to deliver sport and activities for children and young people across Orkney as part of the 2026 Summer of Sport.

The £20 million initiative, funded by the Scottish Government and facilitated by sportscotland, will offer young people aged three to 26 the opportunity to get active and maybe try something new.

The 2026 Summer of Sport is a unique opportunity for communities across Scotland to embrace the excitement of sport, inspired by the 2026 FIFA World Cup and the 2026 Commonwealth Games, both of which will showcase Scotland on the global stage and inspire young people to take part, get active and begin their own journey in sport and activity.

Through this investment, The Pickaquoy Centre will deliver a range of free activities throughout the summer and beyond, helping remove barriers to participation and ensure more young people have the chance to get involved. The activities included Free of charge are:

**NICAS ASCEND CLIMBING
RUN JUMP THROW
YOUTH STRENGTH & CONDITIONING**

As part of the 2026 Summer of Sport, The Pickaquoy Centre is working with sportscotland and partners across the country to ensure these opportunities are available to everyone, regardless of background. The funding will enable the delivery of activities designed to help young people develop healthy habits, build stronger social connections, and foster a lifelong love of movement.
